FFOLKESPA RITUALS

Originating in Germany, Aufguss is a multi-sensory sauna ritual held in the Global Sauna. Here's a little more about what to expect.

15 minutes | £10

HEAT

Gradually increases, which makes adrenaline peak and releases endorphins. Don't worry, there are different bench heights. The higher you go, the hotter the sauna gets.

ESSENTIAL OILS

Each blend of essential oils has been melded into an ice ball, then smashed on the hot coals during the ritual to release the scents, each with its own benefits.

TOWEL WORK

Your Sauna master will move the air around the Sauna with a towel.

GLOBAL JOURNEY

Every Ritual is themed around a different part of the world, from soundtrack to scent.
